

THE BLIND SHOP

Information Sheet

Roller Blinds: Pelmets

Create a professional finish to your roller blind with our matching pelmets. Our pelmets cover the roller tube and brackets of your blind, protecting it from dust and creating a contemporary look. The front of the pelmets can be covered with the matching fabric of your roller blind for a modern, sleek appearance. Our pelmets are made of durable powder-coated aluminium and come in a choice of 3 colours - anthracite, white and black.

Easy to install, our pelmets are fitted with brackets that can be either mounted to the ceiling or the wall.

The add on cost for pelmets starts from £32.50. It does not include the blind itself which needs to be ordered separately.

If you have any questions about our pelmets, please call us.

Face fit bracket (L) for fixing pelmet to the wall and top fix bracket (R) for fixing pelmet to the ceiling.

Pelmet showing face fit bracket and top fit bracket, and roller blind bracket in foreground.
